About the Course

- AgileSHIFT course certification is endorsed by PeopleCert. It aims to empower organizations to lead their business transformation in all areas, improve the efficiency and productivity of processes, keep up with the ever-shifting business landscape, and develop in a competitive marketplace.

› Why earn an AgileSHIFT Certification?

Who Needs this Certificate?

01 Transformation Leaders/Managers.

02 Change Leaders/Managers.

03 Product Managers/Owners.

04 Programme and Portfolio Managers.

05 Process Managers/Owners.

06 Problem Leader/Managers.

07 Agile Coaches or Influencers.

08 Senior leaders of teams within Product Management, Portfolio (PMO), Finance, Legal, Sales, Marketing and HR.

Course Objectives:

The purpose of the AgileSHIFT qualification is to enable the candidate to:

Understand AgileSHIFT Basics

You'll gain an outright comprehension of AgileSHIFT principles and practices to be well-qualified to implement them in your organizations to lead transformational change. Also, you'll recognize the key elements you need to build a successful and collaborative team.

Implement AgileSHIFT Delivery Approach

Through this course, you'll identify AgileSHIFT roles, techniques, iterations, and workflows and how to apply them smoothly, and you'll understand the importance of technology in skills development.

Learn Agility Enterprise

You'll understand the importance of creating an enterprise agility culture in a dynamic market that promotes adaptation and innovation culture.
